

# Burger King Manual

Burger King Manual The Burger King Grilling Guide A FlameBroiled Masterclass Forget those boring premade patties Youre a Burger King crew member and youre about to learn the art of flamebroiling the secret ingredient behind our iconic burgers This isnt just about flipping meat its about mastering the flame knowing your grill and ensuring every BK burger is a juicy smoky masterpiece Heres your guide to becoming a flamebroiling champion

- 1 The Grill Your Fiery Canvas**  
**The Flame** The heart of our flamebroiling process is the open flame Its intense its hot and its what gives our burgers that unique smoky flavor  
**The Grid** Think of the grill as a giant waffle iron with those raised ridges that create our signature grill marks This is where the heat from the flames is distributed evenly ensuring your burger cooks evenly  
**The Temperature** Dont just assume the flame is hot enough Use the temperature gauge to ensure its between 500-550F This is crucial for that perfect sear and juicy interior
- 2 Prepping Your Patties**  
**From Cold to Hot** Dont mess with the cold Our patties arrive preformed and frozen This ensures consistency in size and helps them cook evenly  
**Never thaw them out**  
**Stack em high** The patties are stacked in columns so when you grab one make sure you grab a whole column to preserve the shape Dont let em touch  
**When placing patties on the grill** make sure theyre not touching This allows the heat to circulate evenly promoting even cooking
- 3 The FlameBroiling Dance**  
**Flipping Mastery**  
**The Timing** Cook each side of the patty for 2 minutes Dont overcook This is the key to getting that juicy flavorful burger  
**The Flip** After 2 minutes its time to flip The patty will release easily from the grill when its ready Use the spatula to gently lift and flip avoiding too much pressure  
**The Grill Marks** Youll see those beautiful grill marks forming as you flip Thats the sign of a perfectly cooked Burger King burger
- 4 Beyond the Basics**  
**Extra Tips for Success**  
**The FlipOver** While two minutes is the norm adjust cooking times depending on the

pattys thickness Thicker patties may require an additional flip to ensure thorough cooking The Cleanliness Always maintain a clean grill Remove any excess food debris and make sure the grill is free of any burnt bits This will prevent your patties from sticking and help maintain a consistent temperature The FlameBroiling Champion Think of yourself as a burger maestro conducting the entire flamebroiling symphony Your mastery of the grill ensures each customer gets a delicious perfectly cooked Burger King experience 5 From Patty to Perfection Assembling the King The Burger Bun Warm those buns in the toaster to unlock their buttery aroma A warm bun is key to the ultimate Burger King experience The Toppings Remember the toppings are the star of the show Stack them high and fresh ensuring each layer is distinct Dont skimp on the ketchup mustard and pickles The Final Touches A sprinkle of sesame seeds a drizzle of Burger King sauce these are the final touches that complete the perfect burger Flamebroiled perfection takes practice and precision But by mastering these techniques youll become a flamebroiling champion delivering the best Burger King experience to every customer So remember your commitment Have it your way means ensuring every burger is cooked to perfection delivering the juicy smoky flavor that only flamebroiling can achieve
